PROFIT WARNING

This announcement is made by YuanShengTai Dairy Farm Limited (the “**Company**”, together with its subsidiaries, collectively referred to as the “**Group**”) pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the Board’s preliminary review of the latest unaudited consolidated management accounts of the Group for the year ended 31 December 2023 (the “**Current Year**”), and the information currently available to the Board, the Group is expected to record a net loss ranging from approximately RMB320 million to RMB370 million for the Current Year, as compared to a net profit of approximately RMB23 million for the year ended 31 December 2022 (the “**Corresponding Year**”).

The Board is of the view that the net loss was mainly attributable to: (i) the increase in loss on changes in fair value less costs to sell of biological assets which is due to the decrease in the price of raw milk; and (ii) the impairment loss on property, plant and equipment of an indirect wholly owned subsidiary of the Company.

The Group is still in the process of preparing its consolidated financial results for the Current Year. The information contained in this announcement is only based on the Board’s preliminary review of the latest unaudited consolidated management accounts of the Group and information currently available to the Board and is not based on any financial figures or information which have been audited or reviewed by the Company’s auditor. Detailed financial information and performance of the Group for the Current Year will be disclosed in the Company’s annual results announcement for the Current Year, which is expected to be published by the end of March 2024.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
